

Notice of Availability of Language Assistance Services

Notice of Availability of Language Assistance Services

Applied Behavioral Analysis Services, LLC (ABAS)

Language assistance services, including qualified interpreters, are available at no cost. Tell us your preferred language and we will arrange interpretation, in person or by telephone or video. On request, we arrange oral interpretation of written materials, and written materials are available in accessible formats such as large print and read-aloud. Your health plan also provides interpreter services at no cost; we can help you arrange them.

ABAS does not discriminate on the basis of race, color, national origin, age, disability, or sex. To ask for language assistance or an accessible format, contact us: 413-461-7120 · provider@abaswma.org · 432 State St, Belchertown, MA 01007.

Whatever language your family speaks, call or ask any member of your care team, and we will arrange assistance at no cost.
